EUROCAVE PROFESSIONAL

9180V

ORIGINE **FRANCE**® GARANTIE
BVCert. 6010761

Range:	9000 Series
Model:	**9180V**
Type:	Single temperature (*)
Capacity*:	**180 Bottles****

GENERAL CHARACTERISTICS

Gross weight, packaged, cooling unit only (Kg):	**75**
Gross weight, packaged, frame only (Kg)	**230**
Net weight, unpacked (Kg):	**270**
Cooling unit dimensions, packaged H/W/D(mm):	**543 x 1420 x 620**
Frame dimensions, packaged H/W/D(mm):	**2030 x 1500 x 700**
Dimensions, unpacked H/W/D(mm):	**2190 x 1284 x 500**
Colour of body	**Black**
Permitted ambient temperature range	**15 - 25 °C**

WARRANTY

2 years parts

PRODUCT FEATURES

Electronic control 6 - 20°C
1 push button control dial
Digital display
Lighting (9 LEDs)
Full glass doors
Thermal insulation and U.V. protection
Lock
6 adjustable feet

HOT – COLD – INSULATION TECHNOLOGIES

Production of cold:	Forced cold air Compressor
Type of walls:	PMMA + glass
Type of external covering:	Black tempered glass
Type of insulation:	Polyethylene foam + extruded polystyrene
